

**Notice for aborting the current tender process and initiate a Re-Tender process.**

Reference: Tender No. ARIHANT ARDEN / SECURITY SERVICES/2023-24/01 dated 13-03-2023

**To whom so ever it may concern**

This is to inform that the technical bid evaluation process is completed now for the tender No quoted above.

After detailed and thorough analysis of technical bids followed by the site visit, none of the participants could achieve significant score to qualify the criteria and move to next stage.

Considering the situation, the board has decided not to continue with the next evaluation of the financial bid and abort the tender process.

We have further decided for the re-tender process and shortly will share the fresh tender documents on our website.

Those who have already participated in the tender are not required to pay document fee and EMD in the re-tender process however all other formalities to be completed as per the new tender documents.

If any existing bidder doesn't want to participate in re-tender process may get their EMD refunded.

The new tender document will be available on our website on 30th April 2023 with all the respective timelines.
